SETH ANANDRAM JAIPURIA

Padmabhushan Seth Mangturamji Jaipuria (1901-1978), who founded the College in his father's name, **Seth Anandram Jaipuria**, wished the institution to grow into a centre of unbound academic excellence by fostering a spirit of multiculturalism reflective of India's diversity in unity. Accordingly, the VISION and MISSION of the College have been formulated as follows:

VISION

The college logo proudly displays the phrase "*Vidya Amritam Bhava*", reflecting the belief that knowledge fuels humanity's progress beyond life: Engaging in academics is an enjoyable journey that inspires and unleashes the potential hidden within every individual. Padmabhushan Seth Mangturamji Jaipuria (1901-1978), the esteemed founding father of the college, envisioned the institution as a center of unbounded academic excellence. He sought to cultivate an atmosphere that celebrates India's rich cultural diversity and embodies the spirit of unity amidst this diversity.

The college's mission is to provide a comprehensive education that caters to a wide range of students, equipping them with essential skills and knowledge for the modern world. To

achieve this, the institution focuses on the integration of information and communication technology (ICT) into its teaching, learning, and management processes. This approach fosters learning that empowers students to excel in an increasingly interconnected global community.

In addition to embracing ICT, the college is committed to creating an eco-friendly campus, promoting environmental awareness and sustainable practices among students, faculty, and staff. This green initiative enhances the college's physical environment and reinforces its role as a responsible educational institution dedicated to preserving the planet for future generations.

Collaboration is another key aspect of our vision, as we seek to forge partnerships with other educational institutions and organizations to provide students with diverse perspectives and opportunities for experiential learning. These collaborations will contribute to our students' overall development as well-rounded individuals.

Gender equality is a core value at the college, which strives to create an inclusive environment where all students can thrive regardless of their gender identity. This commitment extends to promoting equal opportunities for learning, growth, and achievement, as well as fostering a culture of respect and understanding among all members of the college community.

The college aims to provide a holistic education that nurtures the intellectual, emotional, social, and physical development of its students. By offering a supportive and stimulating learning environment, the institution empowers its students to reach their full potential, preparing them to become responsible, compassionate, and successful leaders in an ever-changing world.

MISSION

Seth Anandram Jaipuria College aspires to be a leading institution in higher education, fostering intellectual growth, critical thinking, creativity, and lifelong learning for our diverse student population. Our primary educational aims and objectives focus on nurturing well-rounded, responsible, and enlightened global citizens who contribute positively to society. To achieve these aims, we provide a comprehensive range of academic programs that emphasize interdisciplinary learning, innovation, and research. Our faculty is dedicated to delivering a rigorous, cutting edge curriculum that equips students with the knowledge and skills

necessary for success in their chosen fields. We also recognize the importance of extracurricular activities in promoting personal growth, leadership, and teamwork. Therefore, we offer a wide array of clubs, sports, and cultural events that cater to the diverse interests and talents of our students. We are committed to creating a safe, inclusive, and supportive learning environment that respects and values the uniqueness of each individual. Our college embraces diversity, equity, and inclusion initiatives, ensuring that all students, staff, and faculty have equal opportunities to thrive academically and professionally. Our policies and practices foster a culture of respect, empathy, and collaboration, enabling everyone to reach their full potential. Access to high-quality education for all, regardless of financial or social backgrounds, is at the core of our mission. We strive to provide affordable education while maintaining excellence in teaching and learning. Our financial aid programs, scholarships, and flexible payment options ensure that a diverse range of students can benefit from our offerings. In addition, we actively engage with local communities, schools, and businesses to promote access to higher education and facilitate seamless transitions for students.

Through these endeavours, Seth Anandram Jaipuria College remains dedicated to empowering our students to become responsible, compassionate, and innovative leaders who make a positive impact on the world.

Principal's Message

Each year is unique and brings its own set of challenges. Although the pandemic has subsided, we have learned to cope with its various assaults. Since July 2022, normal college activities have resumed, including in-person classes and outdoor activities.

This academic year will be special as a new academic format has been introduced in consonance with the previous CBCS system. The two previous batches have yet to complete their graduation, and this will require us to harness our focus and venture into uncharted territories. Balancing logistics will require serious effort, but I am confident that my colleagues and dear students will emerge victorious.

Tenacity and resourcefulness are the basic essence of education. We expect students to make informed decisions that align with their needs while taking into account the global scenario. The New Education Policy (NEP) offers a more flexible and job-oriented approach. I am hopeful that students will choose their career paths wisely.

At our institution, you will always have access to valuable guidance. Throughout my experience here, I've noticed that the combination of our curriculum and the relationships formed within the college community greatly impacts the development of our students. As per the guidelines of the National Education Policy (NEP), you have the option to leave after completing the second, fourth, sixth, or eighth semester depending on your career aspirations. If you plan to pursue a career in education, it is recommended that you complete all eight semesters. However, if you intend to enter a non-academic field, you may choose to exit earlier.

Dear students, the scope is abundant, and I firmly believe in your potential. So be the best version of yourselves and explore the length and breadth of the new norm.

Wishing you prosperity in your chosen vocation and good health.

Sincerely,

Dr. Asok Mukhopadhyay

About the College (1945-2023)

Seth Anandram Jaipuria College, a government-aided institution affiliated with the University of Calcutta, was established in the pre-independence era by Padmabhushan Seth Mangtaramji Jaipuria. His father, Seth Anandram Jaipuria, hailed from Jaipur, Rajasthan. The college was inaugurated by Pandit Jawaharlal Nehru on 22nd December 1945. Each year, the Foundation Day is commemorated with an Annual Seth Anandram Jaipuria Memorial Lecture featuring esteemed speakers from various fields.

Initially a Trustee college, the institution transitioned to a democratic Governing Body in 2022 under the directives of the State Government. The Governing Body comprises the President (MP Sri Sudip Bandyopadhyay), the Principal, teacher and non-teaching representatives, educationists from other city colleges, and a government official from the Department of Higher Education. Unique in Kolkata, Jaipuria College operates in three shifts under one administration. With over 4000 students per year, it offers Arts, Science, and Commerce courses across 21 Honours programmes. The college has 170 experienced faculties, 31 classrooms, and 12 laboratories within its four-story building, which includes two 10-capacity lifts and a lawn. Expansion is limited by space constraints. Outdoor sports facilities are provided through a MoU with a nearby sports club – *Shyampark Football Coaching Center*. The college has steadily advanced its ICT infrastructure for teaching, learning, and administrative tasks, especially in the wake of COVID-19. The integration of online classes, exams, Google Classroom, webinars, Google Meet, TeamLink, virtual meetings, and digital cultural events signifies a new digital era. In 2022, a biometric attendance system for teachers and staff was implemented, partial automation of the library was completed, and the admissions process became fully automated.

Jaipuria College is notably inclusive, not only through government-mandated seat reservations but also via student-friendly measures. English, Bengali, and Hindi languages and literatures are taught in a bilingual mode of instruction. Among the three shifts, one is exclusively for girls, one for boys, and one is co-ed. Flexibility exists between shifts, with common classes held at certain points to optimize time, space, and faculty resources. Jaipuria College is a distinguished institution that stands out among its peers in providing exceptional education and opportunities for students from diverse backgrounds.

Govt. Notice for Admission

**Government of West Bengal
Department of Higher Education
College Sponsored Branch
Bikash Bhavan, 6th Floor: Salt Lake, Kolkata – 700 091**

No. 354- Edn(CS)/10M-95/14

Date: 2nd June 2023

NOTIFICATION

Sub: Online admissions for the Academic Session 2023-2024 to all UG Courses

The results of the West Bengal Higher Secondary Examination 2023 and equivalent examinations have been announced in the month of May 2023. This Department has received queries from different State-aided Universities & Colleges regarding the admission modalities to be followed by them for the ensuing academic session 2023-2024.

The Expert Committee, constituted regarding implementation of the National Curriculum and Credit Framework (NCCF), vide UGC D.O. No. 1-1/2021(QIP)(CBCS) dated 31.01.2023, has recommended the implementation of NCCF for 4-years UG programmes from the academic year 2023-2024 in all Government/ aided Higher Educational Institutions (HEIs) in the State through optimum utilization of existing resources or self-mobilization of additional resources, pending receipt of additional financial assistance. The competent authority in the State Government has accepted the recommendations of the Expert Committee and decided to introduce 4 year UG level programme in all HEIs, as stated above, from academic session 2023-2024.

Besides, the Centralized Admission Portal, which has been developed based on existing 3-years degree UG programme, shall have to undergo suitable modifications regarding the Institution-level admission rules/subject combination/ fee structures etc. across the State. In view of the time constraints required for such modifications in the Portal and the preparedness of the Universities to implement NCCF as reported by the Expert Committee, it is hereby informed to all concerned that the admissions to all Under Graduate programmes in the State-funded Higher Education Institutions in West Bengal for the ensuing academic session 2023-2024 shall be made online in Standalone mode, like previous years, as per the schedule & modalities detailed below:

Registration and Migration

Registration

Students joining the college are required to get their names to be registered with the University of Calcutta immediately after admission is over. They must, for the purpose, fill in the prescribed form and signs (available at the college office) and submit the necessary documents (scanned copy) in support of the application for the purpose of Registration under the University of Calcutta. It may be noted that ***without registration, students will not be allowed to appear in the University examination.***

Migration Certificate

Students coming from other States-Board/Council/University; ***other than West Bengal Council of Higher Secondary Education (WBCHSE), CBSE, ISE, NOI, WBMBSSE, and WBRMV*** must submit the original migration certificate to the college office within one month of the admission and treated as provisionally admitted student till the admission has to be confirmed by the University of Calcutta.

Such students must at once apply as early as possible to their own Board/ Council/ University which they have left, for migration certificate/ permission to join Calcutta University for study. After submission of Migration Certificate, they are required to apply to the Registrar of the University of Calcutta, in the prescribed form for the approval of their admission along with the prescribed migration fees.

It should be noted that **Transfer Certificates can not be issued to the provisionally admitted-student on migration** from other Board/Council/University before their admission is formally approved by the University of Calcutta. He/she may discontinue the course with prior submission of letter to college office.

Fees Structure for Major/ Multi-disciplinary Course under NEP Semester-I in the session 2023-2024

All Fees/Charges are subject to change. Please follow the website.

***Note:** Laboratory Caution Money is payable by every student for Laboratory-based subjects at the beginning of the session. It is refunded at the end of the course, after breakages have been paid for. Students depositing such caution money must apply for refund within a year from the date they cease to be students of the College, failing which the said amount is liable to be forfeited and the same will be transferred to the Development Fund of the College. No application for refund is entertained unless the relevant deposit receipt is submitted. Where the breakage exceeds the amount of the Caution Money, the excess amount shall be paid by the student. The same rules as regards Library Caution Money apply in the matter of refund.*

The College Authority directs the students to pay the tuition fees semester wise. Tuition fees for each semester should be cleared by the 15th day of the first month of the said semester. The said semester are July to December; January to June.

***Note:** College Fees & Deposits will be accepted only online mode through college portal by log in with students' user id and password on all days.*

Various curricular or Co-curricular Activities of Students

Our students participate in various curricular and co-curricular activities throughout each session. Commendable performance in such intra and inter college events are invariably recognised and rewarded. A few of them are enlisted below.

Student Name	Department	Achievements
Agnija Pal	Computer Science	Got 1st Prize in INNOVARIUM-2023 (Event: Bit Overflow) organized by Scottish Church College.
Shuvam Mondal	English	Won 2nd Prize in Creative Writing Competition-2023 at Scottish Church College.
Raunack Maitra	Political Science	Received Governor's silver Medal- 2022 for excellent service and discharge of duty in NCC.
Fahmeed Mustafa	Economics	Student Intern at Friedrich Alexander Universität Erlangen – Nürnberg
Alekhaya Chakraborty	Economics	Won 2nd Prize in Inter-College Paper Presentation, 2023 under the Seminar theme “Managing Indian Economy in the 21 st Century-Challenges and Prospects”, organized by Dept. of Economics, Vidyasagar College.
Nishan Banerjee		
Satyaki Basak		
Sujan Dutta	Mathematics	Won 3rd Prize in Talk Theatre in JUBILATION-2022 , organized by Seth Anandram Jaipuria College.
Subhrojyoti Sengupta	Mathematics	Won 2nd Prize in Talk Theatre in JUBILATION-2022 , organized by Seth Anandram Jaipuria College.
Sujan Dutta Soumyadip Pal	Mathematics	Secured 2nd Position in Inter-College Quiz Competition “QUIZATHON” on the occasion of Pi day, organized by Dept. of Mathematics, Asutosh College.

Academic Activities other than Seminars/ Workshops

- a) Literature is never complete without imaginative flight of young minds. The *students of English Honours (Day)* channelized their creative imagination to form a group of such thoughtful people called **The Literary Trump**. This journey began on September 23, 2016 and awaits fresh minds to join in the creative endeavour with each passing year.
- b) In compliance with the **Nutrition Week** observed by WHO every year in the first week of September, the *Food & Nutrition Department in the morning shift of the college*, celebrates a Nutrition Day within the stipulated week. The day is marked by display of posters and models, setting up of food stalls with cheap, nutritious items and common health check-ups. At the end of the day, students winning the recipe contest and poster drawing competition are duly awarded. This year the department organized **Recipe Contest** from 6th to 17th of September to celebrate the National Nutrition Month, 2022 and the moto was “Poshan Abhiyan”- an overarching approach to holistic health.
- c) The Morning Shift of SAJC under the initiative of Shift-in-Charge Dr. Mou Chattopadhyay and Conveners Dr. Tarun Kanti Ghosh, Dr. Baijayanti Chatterjee and Dr. Arnab Saha also organises a *Study Circle consisting of a series of talks/lectures* delivered by the Professors of different departments of the Morning Shift.
- d) Business Management department of University of Calcutta organized a One-day *Seminar cum Workshop on Sports as a Profession for Women: Impetus and Impediments* in our college premises on 27th April, 2023. Jaipuria College considers it a privilege to that it had been assigned to play the role of a nodal centre for the North Kolkata Colleges, affiliated to the Calcutta University.
- e) Under the initiative of the Principal Dr. Asok Mukhopadyay and Psychology department of Jaipuria College, *a counselling cell for our students* is opened in this year in the college premises.

Academic Journals/ E-Magazine

Academic Journals of high repute featuring contributions from teachers and students are published at regular intervals by several departments of the college:

Research Activities

Department of Chemistry

Recent developments in high quality research works on basic and interdisciplinary science has added a drop of glory to the Department of Chemistry in Seth Anandram Jaipuria College.

One major project of **Dr. Nilasish Pal** on metal-organic framework and synthesis of porous material aimed for invention of new types of metal-chelates for gas adsorption, purification and catalysis. Many new equipments and techniques have been introduced to meet the purpose. Many new crystallographic data has been generated and solved from the newly found crystals of these metal-organic complexes.

Another major project of **Dr. Sudeshna Sawoo** on the synthetic use of near infrared dyes for non-invasive detection of cancer cells is also running in this department. These modified dye molecules would be promising transporter in selective delivery of drugs to the specific cancerous cells. Two sincere research scholars are currently working in these projects.

Dr. Monirul Islam is also pursuing his Minor Research Project on reaction kinetics in this department. The details of the research projects are given below:

Name of the Principle Investigator	Title of the project	Duration	Grant sanctioned	Funding Agency	Ongoing/ Completed
Dr. Nilasish Pal Asst. Professor	Synthesis of pyridine based ligands and their utilization in the synthesis of porous materials. (Major)	Year 2014-17 (3 Years)	22.4 Lac	SERB-DST, New Delhi under Fast Track Scheme for Young Scientist	Completed
Dr. Nilasish Pal Asst. Professor	Synthesis of pyridine and tetrazole based ligands and their utilization in designing of Metal Organic Framework. (Minor)	Year 2014-16 2 Years	5 Lac	UGC-ERO	Completed
Dr. Nilasish Pal Asst. Professor	Exploring the chelating behaviour of 2-(2'-Pyridyl) imidazole based ligands towards the construction of Metal Organic Framework (Minor)	01-07-2018 to Till Date	2.95 Lac	WB-DST	Ongoing

Dr. Sudeshna Sawoo <i>Asst. Professor</i>	Development and use of polyethylene glycol (PEG) conjugated multifunctional cyanine dye for detection of cancer cells and targeted drug delivery. (Major)	3 Years	25.3 Lac	SERB-DST, New Delhi under Fast Track Scheme for Young Scientist	Completed
Dr. Monirul Islam <i>Asst. Professor</i>	Heteroaromatic-aromatic N-Base ligands like 2,2'-bipyridyl and 1,10-Phenanthroline assisted chromic acid oxidation of some organic substrates in aqueous micellar sulphuric acid media: A Kinetic Study (Minor)	Year 2017-19 (2 Years)	75000/-	UGC Minor Research Project	Completed

Department of Mathematics

Name of the Principle Investigator	Title of the project	Duration	Grant sanctioned	Funding Agency	Ongoing/ Completed
Dr. Amit Kumar Pal <i>Assistant Professor</i>	On Some Dynamical Model of Biological System (Minor)	Year 2017-19 (2 Years)	2.1 Lac	UGC Minor Research Project	Completed

Extra Curricular

The Students Council is a democratically elected body of students which has long been called the Students Union. It is now known as the Students Council, by the Govt. Order. It is a statutory body meant to serve the different needs of the students for the positive interest and regular progress of the College. It actively participates in and organizes various events like Annual Sports, Teachers Day, College Socials, Inter-College Competitions, Fresher's Welcome Programme, Blood Donation Camp. They are meant to voice the conscious, integrated opinions of the students to the concerned authority in a congenial manner.

The College Magazine encourages original thought and expression among the students. Magazines are published separately by the Morning, Day and Evening shifts. Besides these, separate **Wall Magazines** are also brought out by each of the three shifts. A few of them are presented below.

The Sports and Games Department of the college has attained a high degree of eminence by virtue of the tireless effort of its student community and the extremely active departmental personnel. As an outcome of this endeavour students of this college have had consistent success in various Inter-College, Inter-University, State, National and International level meets. In the year 2006, a Sports Board was formed for the betterment of and co-ordination among the students interested in sports and associated with co-curricular activities.

Infrastructure

Library and Reading Room

The college has a well-equipped library with a spacious reading room under the charge of experienced Librarians. The books are classified according to the Dewey Decimal System and catalogued by the Card Index Method.

A good number of Indian and foreign journals, periodicals and magazines, both of general and specialized interests, are subscribed to by the Library for the use of teachers and students. A magazine corner too has been installed in the Library for the benefit of all. For home use, students may borrow one book (volume) at a time against the borrower's card and retain it for a fortnight. Honours students are permitted to borrow two books at a time. Students failing to return books within the permissible period are fined Rs. 2 for each day's delay and no book is further issued to them without Principal's permission. Books and magazines may also be borrowed against the Reference Card for use in the Reading Room in leisure period, but such books must on no account be taken out of the Reading Room. Borrowers are responsible for the books or magazines issued to them and they are strictly forbidden to lend them to others. Defacing books by scrubbing or any other way is liable to punishment. Books lost or damaged by the borrower will have to be replaced at his/her cost.

The different departments with rich collection of books cater to their own students through respective **Departmental Libraries**.

Computer facility

The college computer centre offers various courses in Computer Education. For anyone interested in combining professional skill in computers along with normal academic pursuit under one roof, this is a good option.

College Canteen

Our college Canteen is a hub of animated activity for the young Jaipurians. Its facilities are open to students of all three shifts of the College. It remains open from morning to late evening. Known for mouth-watering dishes at a reasonable price, the Canteen also caters to the basic requirement of teachers and non teaching staff in separate rooms. Efforts have been made recently to refurbish the Canteen by giving it a splash of colour and introducing sleek new furniture.

Book Stall

The college Book stall offers books and stationery at a reasonably lower price compared to the market rate. Every Jaipurian can avail of this facility. The Book Stall is a student-friendly outlet run exclusively for the interest of the students.

Students' Common Room

There are two spacious Common Rooms in the college- one for girls and the other for boys. Both are housed in the first floor of the building and both offer provisions for indoor games like Table Tennis, Carrom, Chess and the like.

Awards/ Stipends/ Concessions

The Late Professor Deepak K. Bose Memorial Award is awarded annually to two deserving students in the department of political Science. The award, founded by the family of the late teacher carries a monetary incentive to be expended on books. The award is given to the top scorers from the Department in the final year University Examination. The award ceremony is marked by a Memorial Lecture in honour of the Late Professor.

Seth Anandram Jaipuria Memorial Awards for Academic Excellence are presented to the highest scorer of each department in the final year University Exam. The presentation ceremony is held on the Foundation Day of the College on 22nd December every year.

Professor Jaba Chatterjee Memorial Awards are presented to the three toppers of the Department of English (Day) every year. The award ceremony is marked by a Memorial Lecture sponsored by our college in revered memory of the late Professor.

Professor Bani Bhushan Dasgupta Memorial Award is presented to the highest scorer in English (Honours) every year.

Professor Banibhushan- Amiyabhishan Memorial Awards are presented to the two most deserving students from First and Second year English (Honours) every year.

Mimi-Asok Mukhopadhyay Biological Science Endowment Awards are presented for attaining highest marks in Zoology (Honours) and Botany (General) every year in memory of Arundhati Mukherjee.

Late Anil Kr. Sen and Anju Sen Memorial Award is presented to the second highest scorer of the Department of Economics in the final year University Exam every year.

The Students' Fund Scheme renders financial assistance to deserving students to meet their tuition or Examination fees or to purchase books relevant to under graduate studies. The Fund is composed of contribution from University Grants Commission (if available), and also from the students.

Free Studentship and Half Free Studentship is granted every year on a merit-cum-means basis. The College notifies the date for submission of application and the list of necessary documents. The continuation of all stipends, aids and the like is subject to good conduct, regular attendance and satisfactory academic performance. Students enjoying any kind of Government Scholarship are not eligible to partake of this grant.

Railway Concession Forms can be obtained from the college office by outstation students and applications made in accordance with Railway guidelines.

Code of Conduct

1. Any failure to comply with the attendance-rule may ultimately lead to ***loss of one academic year.***
2. Although the College does not insist on a formal dress code, it is expected that the students will ***wear decent clothes within the college premises***, keeping in mind the sanctity and reputation of an academic institution. We leave the choice to the students, but the liberty should not be misused.
3. Use of ***mobile phones in the classrooms/library/laboratory/corridor is strictly prohibited.*** A breach of conduct may invite severe punishment like permanent confiscation of the mobile phone.
4. The Principal may in the interest of the institution require a student to leave the college without assigning any reason. In such a case transfer certificate will be issued free of charge.
5. Reports are sent to parents or guardians about the conduct and quality of work of the students. ***The Principal invites co-operation of the students and their guardians in making the process of education fruitful and in maintaining general order of discipline.*** All the Departments in the College regularly organize Parent-Teacher-Meeting. The Parents are apprised of the Academic Performance, Attendance and General Conduct of their Daughters/Sons.
6. Students of all three shifts should always carry ***student's ID cards, Acknowledgement Cards and Produce such Cards at the entrance of the College.***

PASSED OUT STUDENTS ARE NOT ALLOWED TO ENTER THE COLLEGE PREMISES WITHOUT PERMISSION OF THE COLLEGE AUTHORITY.

7. Students are strictly prohibited from making noise on the college corridors and as a whole in the entire campus. No one can misuse the green space/the garden/the corridor for playing any kind of game. ***Any act which disturbs the discipline of the college is treated as punishable offence.***

National Cadet Crop Unit

The National Cadet Corps (NCC) unit of our College is affiliated to the West Bengal and Sikkim Directorate, Kolkata B Group. This course has become popular among the students as it develops a keen sense of discipline and qualities of leadership. The performance of our cadets during the last decade has been remarkable. Every year cadets join several National and State Level Camps on National Integration, besides Rock–Climbing Camp, and RD Parade at New Delhi / Kolkata, and Youth Exchange Programme.

The NCC unit of this college provides service to the nation from the last 55 year.

National Social Service Unit

National Social Service (NSS) now regarded as the third dimension of education (the first two being teaching/learning and research), provides ample scope to teachers and students to engage in extension activities like social and community service. NSS Volunteers are allowed to participate in different programs like Orientation Program, Special Camping Program, National Integration Camps, Youth Exchange Camps, R.D. Camps etc. it offers them the opportunity to manifest their dedication and commitment towards society.

The NSS unit of this college established in 2010 is affiliated to the University of Calcutta.
