## SETH ANANDRAM JAIPURIA

**Padmabhushan Seth Mangturamji Jaipuria** (1901-1978), who founded the College in his father's name, **Seth Anandram Jaipuria**, wished the institution to grow into a centre of unbound academic excellence by fostering a spirit of multiculturalism reflective of India's diversity in unity. Accordingly, the VISION and MISSION of the College have been formulated as follows:

### VISION

The college logo proudly displays the phrase "*Vidya Amritam Bhava*", reflecting the belief that knowledge fuels humanity's progress beyond life: Engaging in academics is an enjoyable journey that inspires and unleashes the potential hidden within every individual. Padmabhushan Seth Mangturamji Jaipuria (1901-1978), the esteemed founding father of the college, envisioned the institution as a center of unbounded academic excellence. He sought to cultivate an atmosphere that celebrates India's rich cultural diversity and embodies the spirit of unity amidst this diversity.

The college's mission is to provide a comprehensive education that caters to a wide range of students, equipping them with essential skills and knowledge for the modern world. To

achieve this, the institution focuses on the integration of information and communication technology (ICT) into its teaching, learning, and management processes. This approach fosters learning that empowers students to excel in an increasingly interconnected global community.

In addition to embracing ICT, the college is committed to creating an eco-friendly campus, promoting environmental awareness and sustainable practices among students, faculty, and staff. This green initiative enhances the college's physical environment and reinforces its role as a responsible educational institution dedicated to preserving the planet for future generations.

Collaboration is another key aspect of our vision, as we seek to forge partnerships with other educational institutions and organizations to provide students with diverse perspectives and opportunities for experiential learning. These collaborations will contribute to our students' overall development as well-rounded individuals.

Gender equality is a core value at the college, which strives to create an inclusive environment where all students can thrive regardless of their gender identity. This commitment extends to promoting equal opportunities for learning, growth, and achievement, as well as fostering a culture of respect and understanding among all members of the college community.

The college aims to provide a holistic education that nurtures the intellectual, emotional, social, and physical development of its students. By offering a supportive and stimulating learning environment, the institution empowers its students to reach their full potential, preparing them to become responsible, compassionate, and successful leaders in an ever-changing world.

## MISSION

Seth Anandram Jaipuria College aspires to be a leading institution in higher education, fostering intellectual growth, critical thinking, creativity, and lifelong learning for our diverse student population. Our primary educational aims and objectives focus on nurturing well-rounded, responsible, and enlightened global citizens who contribute positively to society. To achieve these aims, we provide a comprehensive range of academic programs that emphasize interdisciplinary learning, innovation, and research. Our faculty is dedicated to delivering a rigorous, cutting edge curriculum that equips students with the knowledge and skills

necessary for success in their chosen fields. We also recognize the importance of extracurricular activities in promoting personal growth, leadership, and teamwork. Therefore, we offer a wide array of clubs, sports, and cultural events that cater to the diverse interests and talents of our students. We are committed to creating a safe, inclusive, and supportive learning environment that respects and values the uniqueness of each individual. Our college embraces diversity, equity, and inclusion initiatives, ensuring that all students, staff, and faculty have equal opportunities to thrive academically and professionally. Our policies and practices foster a culture of respect, empathy, and collaboration, enabling everyone to reach their full potential. Access to high-quality education for all, regardless of financial or social backgrounds, is at the core of our mission. We strive to provide affordable education while maintaining excellence in teaching and learning. Our financial aid programs, scholarships, and flexible payment options ensure that a diverse range of students can benefit from our offerings. In addition, we actively engage with local communities, schools, and businesses to promote access to higher education and facilitate seamless transitions for students.

Through these endeavours, Seth Anandram Jaipuria College remains dedicated to empowering our students to become responsible, compassionate, and innovative leaders who make a positive impact on the world.

## Message From the Teacher-in-Charge

Prof. Nandita (Sen) Chakraborty

To be appointed as the Teacher-in-charge for Seth Anandaram Jaipuria College, my workplace for almost four decades, I am filled with gratitude, humility and a strong desire to work at my level best to uphold the values for which the college stands.

With three sections — Morning, Day and Evening, and one strong Governing Body, S.A. Jaipuria College provides a wonderful ambience for both academic & administrative purposes. Affiliated to the University of Calcutta, S.A. Jaipuria College adheres to the UGC NEP 2020 Guidelines and is currently offering the 4-year UG Course with the option of multiple exits.

Offering B.A. Major, B.Com. Major, B.Sc. Major and ample choice of subjects for the Minors and Multidisciplinary Courses, the college aims at imparting holistic education to students. We, at S.A. Jaipuria College, take pride in stating that we provide an environment of multiculturalism and egalitarianism. I strive to retain the various financial aid programs, scholarships, and as well as flexible payment options to ensure that students from impoverished and marginalised sections of society benefit.

The 18 laboratories, free WI-FI zone, ICT enabled Smart classrooms, an audio-visual Room, and various other modern technologies enable us to keep pace with the changes in the academic paradigms and make the students globally competent. The college offers a wide array of clubs, sports, and cultural events and co-curricular activities not only bring to the forefront the diverse interests and talents of our students, but they also help in promoting individual growth, leadership and camaraderie.

Though we are situated amongst the bustle and cacophony of a busy street in North Calcutta, we have an aesthetically appealing curate lawn and small stretches of garden; our green initiative aims at conserving natural resources, and sensitising faculty, students and staff about the need for protection of environment for a sustainable and healthy future.

Gender equality has always been a core value at S.A. Jaipuria College and I will constantly monitor gender mainstreaming in relation to both teaching and administrative procedures.

I look forward to working hard and helping S.A. Jaipuria College reach new heights.

Sincerely,

Prof. Nandita (Sen) Chakraborty

## In Memoriam

Seth Anandram Jaipuria College is known for many reasons. Apart from academia, sports and cultural spirit - it is also the college where the freedom of expression is held in high esteem. This freedom comes from the inner strength and fortitude to have a view -a flexible and open one and to be able to defend it righteously. In the last year we had the misfortune to lose two such voices – one more articulate with verbal expressions and the other more fluent with the pen.

remember and regard her as an invaluable asset.

**Prof. Rekha Singh** served this institution till 25<sup>th</sup> June, 2023, her last moments. She was a meritorious student and a protector of the free voice. Her guidance to her beloved students went much further than the restricted syllabus. Her untimely loss and the fact that almost till her final sleep, she was an active and highly esteemed faculty member, makes it simply more agonizing. The institution will forever

**Dr. Dipankar Das** served this institution till his final rest, 3<sup>rd</sup> July, 2023. Dr. D. Das was more than an economics professor. His knowledge and writing skills were wide and varied. His wistful smile and eponymous mode of address made him unique in many ways. The Department and institution rues his sudden loss. The void created will probably never be filled up fully. The writer -academic will be mourned by the college with the highest degree of deference.

## About the College (1945-2024)

Seth Anandram Jaipuria College, a government-aided institution affiliated with the University of Calcutta, was established in the pre-independence era by Padmabhushan Seth Mangtaramji Jaipuria. His father, Seth Anandram Jaipuria, hailed from Jaipur, Rajasthan. The college was inaugurated by Pandit Jawaharlal Nehru on 22<sup>nd</sup> December 1945. Each year, the Foundation Day is commemorated with an Annual Seth Anandram Jaipuria Memorial Lecture featuring esteemed speakers from various fields.

Initially a Trustee college, the institution transitioned to a democratic Governing Body in 2022 under the directives of the State Government. The Governing Body comprises the President (MP Sri Sudip Bandyopadhyay), the Principal, teacher and non-teaching representatives, educationists from other city colleges, and a government official from the Department of Higher Education. Unique in Kolkata, Jaipuria College operates in three shifts under one administration. With over 4000 students per year, it offers Arts, Science, and Commerce courses across 21 Honours programmes. The college has 170 experienced faculties, 31 classrooms, and 12 laboratories within its four-story building, which includes two 10-capacity lifts and a lawn. Expansion is limited by space constraints. Outdoor sports facilities are provided through a MoU with a nearby sports club – *Shyampark Football Coaching Center*. The college has steadily advanced its ICT infrastructure for teaching, learning, and administrative tasks, especially in the wake of COVID-19. The integration of online classes, exams, Google Classroom, webinars, Google Meet, TeamLink, virtual meetings, and digital cultural events signifies a new digital era. In 2022, a biometric attendance system for teachers and staff was implemented, partial automation of the library was completed, and the admissions process became fully automated.

Jaipuria College is notably inclusive, not only through government-mandated seat reservations but also via student-friendly measures. English, Bengali, and Hindi languages and literatures are taught in a bilingual mode of instruction. Among the three shifts, one is exclusively for girls, one for boys, and one is co-ed. Flexibility exists between shifts, with common classes held at certain points to optimize time, space, and faculty resources. Jaipuria College is a distinguished institution that stands out among its peers in providing exceptional education and opportunities for students from diverse backgrounds.

## Govt. Notice for Admission

**Government of West Bengal  
Department of Higher Education  
College Sponsored Branch  
Bikash Bhavan, 6<sup>th</sup> Floor, Salt Lake, Kolkata-700091**

### NOTIFICATION

Memo. No. 375 –Edn (CS)/10M-95/14

Dated: 19<sup>th</sup> June 2024

The competent authority in the State Government has decided to introduce Centralised Online Admission to undergraduate courses in the 461 Government and Government aided General Degree Colleges/ Higher Education Institutions including Universities across the State of West Bengal for UG level courses for the academic session 2024–2025, **as per attached schedule.**

**Exclusions from the Centralized Online Admission System:** Presidency University, Jadavpur University, Autonomous Colleges, Minority Educational Institutes/Colleges, Training Colleges, Law, Colleges/Universities offering course like Fine Arts and Performing Arts, Crafts, Dance, Music, Colleges offering Engineering, Pharmacy, Nursing, Medical Courses and Self-financing/Private Colleges.

The Portal aims to provide opportunities to the students, to choose their desired course in the desired colleges via a single window platform and also to stop admission in multiple times by a single student at various colleges/ Universities so that maximum number of seats can be filled up in all Colleges/ Universities.

An Indian student can apply online through the following websites - <https://banglaruchchashiksha.wb.gov.in>, <https://wbscha.wb.gov.in> by clicking the “Centralised Admission” button or directly to <https://wbcap.in/>. **There is no Fee for Application.**

Any Indian student who has qualified (10+2) or equivalent examination from any recognized Board/ Council/ Equivalent body within the country, can apply for admission to the Undergraduate courses,

An applicant can apply for a **maximum of 25 programmes/ courses** in one or multiple Higher Educational Institutions across the State. An applicant can create a Preference List, Institution-wise and course-wise.

Students can take help of the 'Bangla Sahayata Kendras' for filling up their application form FREE OF COST, if needed. User Manual and Tutorials have been provided in the Portal for step by step guidance to the students.

**Modalities:**

Online Admission Process should be done strictly based on merit. Prospective students should not be called for counselling or verification of documents during the process of admission. No physical presence will be required at the Higher Education Institutions.

No charges shall be taken from students for scanning/ uploading of documents through the Centralised Admission Portal through 'Bangla Sahayata Kendras'.

Eligible Applicants will be notified directly through Portal through SMS and E-mail at each step. The applicant will also be able to see individual status through student's own dashboard.

**Payment of fees for admission shall be done only through this Portal.**

All Stakeholders shall adhere to the guidelines of COVID-19, issued by the Government from time to time.

However, the Netaji Subhas Open University shall follow the time schedule as per guidelines of Open Distance Learning as done last year.

This advisory does not apply to admission to Teachers' Training courses such as B.Ed, B.P.Ed, M.Ed., or M.P.Ed including PG courses etc., for which separate Notification will be issued.

This is issued with the approval of competent authority and will remain in effect until further order.

## Registration and Migration

### Registration

Students joining the college are required to get their names to be registered with the University of Calcutta immediately after admission is over. They must, for the purpose, fill in the prescribed form and signs (available at the college office) and submit the necessary documents (scanned copy) in support of the application for the purpose of Registration under the University of Calcutta. It may be noted that *without registration, students will not be allowed to appear in the University examination.*

### Migration Certificate

Students coming from other States-Board/Council/University; *other than West Bengal Council of Higher Secondary Education (WBCHSE), CBSE, ISE, NOI, WBMBSSE, and WBRMV* must submit the original migration certificate to the college office within one month of the admission and treated as provisionally admitted student till the admission has to be confirmed by the University of Calcutta.

Such students must at once apply as early as possible to their own Board/ Council/ University which they have left, for migration certificate/ permission to join Calcutta University for study. After submission of Migration Certificate, they are required to apply to the Registrar of the University of Calcutta, in the prescribed form for the approval of their admission along with the prescribed migration fees.

It should be noted that **Transfer Certificates can not be issued to the provisionally admitted-student on migration** from other Board/Council/University before their admission is formally approved by the University of Calcutta. He/she may discontinue the course with prior submission of letter to college office.

## Academic Activities other than Seminars/ Workshops

- a) Literature is never complete without imaginative flight of young minds. The *students of English Honours (Day)* channelized their creative imagination to form a group of such thoughtful people called **The Literary Trump**. This journey began on September 23, 2016 and awaits fresh minds to join in the creative endeavour with each passing year.
- b) In compliance with the **Nutrition Week** observed by WHO every year in the first week of September, the *Food & Nutrition Department in the morning shift of the college*, celebrates a Nutrition Day within the stipulated week. The day is marked by display of posters and models, setting up of food stalls with cheap, nutritious items and common health check-ups. At the end of the day, students winning the recipe contest and poster drawing competition are duly awarded. The department organized **Recipe Contest** from 6<sup>th</sup> to 17<sup>th</sup> of September to celebrate the National Nutrition Month, 2022 and the motto was “Poshan Abhiyan”- an overarching approach to holistic health. This year the department celebrated “Poshan Maah” by organizing Departmental seminar, Diet Counselling cell, Awareness Programme in September, 2023 and Food Stalls on 29<sup>th</sup> September, 2023.
- c) The Morning Shift of SAJC under the initiative of Shift-in-Charge Dr. Mou Chattopadhyay and Conveners Dr. Tarun Kanti Ghosh, Dr. Baijayanti Chatterjee and Dr. Arnab Saha also organises a **Study Circle consisting of a series of talks/lectures** delivered by the Professors of different departments.
- d) Business Management department of University of Calcutta organized a One-day **Seminar cum Workshop on Sports as a Profession for Women: Impetus and Impediments** in our college premises on 27<sup>th</sup> April, 2023. Jaipuria College considers it a privilege to that it had been assigned to play the role of a nodal centre for the North Kolkata Colleges, affiliated to the Calcutta University.
- e) Under the initiative of the Principal Dr. Asok Mukhopadhyay and Psychology department of Jaipuria College, **a counselling cell for our students** is opened in this year in the college premises.

## Research Activities

### Department of Chemistry

Recent developments in high quality research works on basic and interdisciplinary science has added a drop of glory to the Department of Chemistry in Seth Anandram Jaipuria College.

One major project of **Dr. Nilasish Pal** on metal-organic framework and synthesis of porous material aimed for invention of new types of metal-chelates for gas adsorption, purification and catalysis. Many new equipments and techniques have been introduced to meet the purpose. Many new crystallographic data has been generated and solved from the newly found crystals of these metal-organic complexes.

Another major project of **Dr. Sudeshna Sawoo** on the synthetic use of near infrared dyes for non-invasive detection of cancer cells is also running in this department. These modified dye molecules would be promising transporter in selective delivery of drugs to the specific cancerous cells. Two sincere research scholars are currently working in these projects.

**Dr. Monirul Islam** is also pursuing his Minor Research Project on reaction kinetics in this department. The details of the research projects are given below:

Name of the Principle Investigator	Title of the project	Duration	Grant sanctioned	Funding Agency	Ongoing/ Completed
Dr. Nilasish Pal <i>Associate Professor</i>	Synthesis of pyridine based ligands and their utilization in the synthesis of porous materials.  (Major)	Year 2014-17  (3 Years)	22.4 Lac	SERB-DST, New Delhi under Fast Track Scheme for Young Scientist	Completed
Dr. Nilasish Pal <i>Associate Professor</i>	Synthesis of pyridine and tetrazole based ligands and their utilization in designing of Metal Organic Framework.  (Minor)	Year 2014-16  2 Years	5 Lac	UGC-ERO	Completed
Dr. Nilasish Pal <i>Associate Professor</i>	Exploring the chelating behaviour of 2-(2'-Pyridyl) imidazole based ligands towards the construction of Metal Organic Framework  (Minor)	01-07- 2018  to 2023	2.95 Lac	WB-DST	Completed

Dr. Sudeshna Sawoo <i>Asst. Professor</i>	Development and use of polyethylene glycol (PEG) conjugated multifunctional cyanine dye for detection of cancer cells and targeted drug delivery.  (Major)	3 Years	25.3 Lac	SERB-DST, New Delhi under Fast Track Scheme for Young Scientist	Completed
Dr. Monirul Islam <i>Asst. Professor</i>	Heteroaromatic N-Base ligands like 2,2'-bipyridyl and 1,10-Phenanthroline assisted chromic acid oxidation of some organic substrates in aqueous micellar sulphuric acid media: A Kinetic Study  (Minor)	Year 2017-19  (2 Years)	75000/-	UGC Minor Research Project	Completed

# Extra Curricular

The Students Council is a democratically elected body of students which has long been called the Students Union. It is now known as the Students Council, by the Govt. Order. It is a statutory body meant to serve the different needs of the students for the positive interest and regular progress of the College. It actively participates in and organizes various events like Annual Sports, Teachers Day, College Socials, Inter-College Competitions, Fresher's Welcome Programme, Blood Donation Camp. They are meant to voice the conscious, integrated opinions of the students to the concerned authority in a congenial manner.

**The College Magazine** encourages original thought and expression among the students. Magazines are published separately by the Morning, Day and Evening shifts. Besides these, separate **Wall Magazines** are also brought out by each of the three shifts. A few of them are presented below.

**The Sports and Games Department** of the college has attained a high degree of eminence by virtue of the tireless effort of its student community and the extremely active departmental personnel. As an outcome of this endeavour students of this college have had consistent success in various Inter-College, Inter-University, State, National and International level meets. In the year 2006, a Sports Board was formed for the betterment of and co-ordination among the students interested in sports and associated with co-curricular activities.

## Library and Reading Room

The college has a well-equipped library with a spacious reading room under the charge of experienced Librarians. The books are classified according to the Dewey Decimal System and catalogued by the Card Index Method.

A good number of Indian and foreign journals, periodicals and magazines, both of general and specialized interests, are subscribed to by the Library for the use of teachers and students. A magazine corner too has been installed in the Library for the benefit of all. For home use, students may borrow one book (volume) at a time against the borrower's card and retain it for a fortnight. Honours students are permitted to borrow two books at a time. Students failing to return books within the permissible period are fined Rs. 2 for each day's delay and no book is further issued to them without Principal's permission. Books and magazines may also be borrowed against the Reference Card for use in the Reading Room in leisure period, but such books must on no account be taken out of the Reading Room. Borrowers are responsible for the books or magazines issued to them and they are strictly forbidden to lend them to others. Defacing books by scrubbing or any other way is liable to punishment. Books lost or damaged by the borrower will have to be replaced at his/her cost.

The different departments with rich collection of books cater to their own students through respective **Departmental Libraries**.

**Computer facility**

The college computer centre offers various courses in Computer Education. For anyone interested in combining professional skill in computers along with normal academic pursuit under one roof, this is a good option.

**College Canteen**

Our college Canteen is a hub of animated activity for the young Jaipurians. It's facilities are open to students of all three shifts of the College. It remains open from morning to late evening. Known for mouth-watering dishes at a reasonable price, the Canteen also caters to the basic requirement of teachers and non teaching staff in separate rooms. Efforts have been made recently to refurbish the Canteen by giving it a splash of colour and introducing sleek new furniture.

**Book Stall**

The college Book stall offers books and stationery at a reasonably lower price compared to the market rate. Every Jaipurian can avail of this facility. The Book Stall is a student-friendly outlet run exclusively for the interest of the students.

**Students' Common Room**

There are two spacious Common Rooms in the college- one for girls and the other for boys. Both are housed in the first floor of the building and both offer provisions for indoor games like Table Tennis, Carrom, Chess and the like.

## Awards/ Stipends/ Concessions

**The Late Professor Deepak K. Bose Memorial Award** is awarded annually to two deserving students in the department of political Science. The award, founded by the family of the late teacher carries a monetary incentive to be expended on books. The award is given to the top scorers from the Department in the final year University Examination. The award ceremony is marked by a Memorial Lecture in honour of the Late Professor.

**Seth Anandram Jaipuria Memorial Awards for Academic Excellence** are presented to the highest scorer of each department in the final year University Exam. The presentation ceremony is held on the Foundation Day of the College on 22nd December every year.

**Professor Jaba Chatterjee Memorial Awards** are presented to the three toppers of the Department of English (Day) every year. The award ceremony is marked by a Memorial Lecture sponsored by our college in revered memory of the late Professor.

**Professor Bani Bhushan Dasgupta Memorial Award** is presented to the highest scorer in English (Honours) every year.

**Professor Banibhushan- Amiyabhishan Memorial Awards** are presented to the two most deserving students from First and Second year English (Honours) every year.

**Mimi-Asok Mukhopadhyay Biological Science Endowment Awards** are presented for attaining highest marks in Zoology (Honours) and Botany (General) every year in memory of Arundhati Mukherjee.

**Late Anil Kr. Sen and Anju Sen Memorial Award** is presented to the second highest scorer of the Department of Economics in the final year University Exam every year.

**The Students' Fund Scheme** renders financial assistance to deserving students to meet their tuition or Examination fees or to purchase books relevant to under graduate studies. The Fund is composed of contribution from University Grants Commission (if available), and also from the students.

**Free Studentship and Half Free Studentship** is granted every year on a merit-cum-means basis. The College notifies the date for submission of application and the list of necessary documents. The continuation of all stipends, aids and the like is subject to good conduct, regular attendance and satisfactory academic performance. Students enjoying any kind of Government Scholarship are not eligible to partake of this grant.

**Railway Concession Forms** can be obtained from the college office by outstation students and applications made in accordance with Railway guidelines.

## Code of Conduct

1. Any failure to comply with the attendance-rule may ultimately lead to *loss of one academic year*.
2. Although the College does not insist on a formal dress code, it is expected that the students will *wear decent clothes within the college premises*, keeping in mind the sanctity and reputation of an academic institution. We leave the choice to the students, but the liberty should not be misused.
3. Use of *mobile phones in the classrooms/library/laboratory/corridor is strictly prohibited*. A breach of conduct may invite severe punishment like permanent confiscation of the mobile phone.
4. The Principal may in the interest of the institution require a student to leave the college without assigning any reason. In such a case transfer certificate will be issued free of charge.
5. Reports are sent to parents or guardians about the conduct and quality of work of the students. *The Principal invites co-operation of the students and their guardians in making the process of education fruitful and in maintaining general order of discipline*. All the Departments in the College regularly organize Parent-Teacher-Meeting. The Parents are apprised of the Academic Performance, Attendance and General Conduct of their Daughters/Sons.
6. Students of all three shifts should always carry *student's ID cards, Acknowledgement Cards and Produce such Cards at the entrance of the College*.

***PASSED OUT STUDENTS ARE NOT ALLOWED TO ENTER THE COLLEGE PREMISES WITHOUT PERMISSION OF THE COLLEGE AUTHORITY.***

7. Students are strictly prohibited from making noise on the college corridors and as a whole in the entire campus. No one can misuse the green space/the garden/the corridor for playing any kind of game. *Any act which disturbs the discipline of the college is treated as punishable offence.*

## National Cadet Corp Unit

The National Cadet Corps (NCC) unit of our College is affiliated to the West Bengal and Sikkim Directorate, Kolkata B Group. This course has become popular among the students as it develops a keen sense of discipline and qualities of leadership. The performance of our cadets during the last decade has been remarkable. Every year cadets join several National and State Level Camps on National Integration, besides Rock–Climbing Camp, and RD Parade at New Delhi / Kolkata, and Youth Exchange Programme.

The NCC unit of this college provides service to the nation from the last 55 year.

# National Social Service Unit

National Social Service (NSS) now regarded as the third dimension of education (the first two being teaching/learning and research), provides ample scope to teachers and students to engage in extension activities like social and community service. NSS Volunteers are allowed to participate in different programs like Orientation Program, Special Camping Program, National Integration Camps, Youth Exchange Camps, R.D. Camps etc. it offers them the opportunity to manifest their dedication and commitment towards society.

The NSS unit of this college established in 2010 is affiliated to the University of Calcutta.
