INTRODUCTION

Gender sensitivity and Gender equality have been the founding principles of Seth Anandram Jaipuria College right from its inception. The reformatory and emancipatory zeal of the founder Seth Mungturam Jaipuria is evident from the fact that the Girls' section in the Morning Shift was opened in 1947 right after the establishment of the college in the year 1945. Owing to shortage of space the shift closed down for a brief period but started full-fledged again in 1966. Girls from local conservative families in those days thus found an opportunity, they would otherwise have been denied, in the field of higher education. Today we are proud to possess three shifts in the form of All – Girls, All – Boys, and Co Education segments. A wide spectrum of students with varied needs, irrespective of gender, are thus catered to by our institution. Teachers, Staff and other members of Jaipuria fraternity are also given due recognition/ roles irrespective of caste, creed, gender or inclination.

Mungturam Jaipuria (1901-1078), a passionate educationist and nationalist, realized early the need for women empowerment through education. Member of an eminent business house of Rajasthan with proliferations in Kolkata, he wanted to establish an institute of higher learning in Bengal, of a truly national character. The fact that a non – Bengali industrialist was setting up an educational institute in Bengal, he felt, would eradicate parochialism and provincialism and foster an attitude of national integration among all. 'The nation I believe has to be built in schools and colleges' – he said.

Mungturamji considered women as assets to society. Way back in 1965 he commented, 'I tell you Principal Sahab, girls would excel boys, ... They would prove real assets to the nation'. During one of his visits to the Girls' Shift in 1966 his parting words to the Vice – Principal were, 'Try to introduce Commerce in the Morning Department. It is a highly useful line for the girls and I tell you it will draw a large number of serious students as nothing else can.' His prophetic words have indeed come true. Today one can proudly declare that girl- strength in the Commerce stream in Morning shift is 904, strength of male students in the Evening Commerce shift is 1299, and the Co Ed section in Day Shift is 456 with a male - female number of 313 and 143 respectively. It is in this spirit that Jaipuria College thrives in all its sectors. The Gender Audit Report as accomplished here is a pointer to this direction.

OBJECTIVES OF GENDER AUDIT:

1. **Growth** of students as independent responsible citizens with healthy mind and strong moral values.
2. **Inclusion** of the marginalised into mainstream.
3. **Channelizing the potential** of each individual to its optimum flourish.
4. **Accepting diversity and multiplicity** in language, culture, gender and ethnicity.
5. **Broadening intellectual sphere** by integrating the local with the global.
6. **Combining tradition with modernity** and inculcating a sense of pride in India's heritage.
7. **Eradicating Gender discrimination** in whatever form it may be.

GENDER POLICY OF THE COLLEGE:

- **Respecting** each other's identity and **accepting deviations** from the norm.
- **Maintaining gender- balance** through equal representation in academic, cultural and official bodies.
- **Promoting the ICC, Grievance Cell & Anti ragging Cell** for a harassment free campus.
- **Decision making** on the basis of needs of all segments of the college community.
- **Taking into account** the needs of male students as well with equal urgency.

A Lady at the helm

On December 31, 2023 , Principal Dr. Asok Mukhopadhyay retired after 15 years of service, making way for the new TIC Prof. Nandita Chakraborty to head the institution from the year 2024.

Thanks to Dr. Mukhopadhyay and congratulations to the new TIC Prof. Chakraborty. The college is running at a robust pace under her supervision .

FACILITIES FOR WOMEN :

- Separate washrooms for girl and boy students, male and female teachers and staff.
- Lady security guard at the college gate.
- Separate Girls' Common Room and Boys' Common Room with indoor game facilities.
- Honours subjects like Psychology and Food & Nutrition specifically for girls. However, flexibility is maintained as boys are also offered these subjects in IDC.
- Separate Yoga session for girls and boys under the supervision of a lady Yoga teacher.
- Scholarships catering to varied group of students.

(Kanyasree Grant for all girls, Swami Vivekananda Merit cum Means Scholarship for students securing 60% and above, Nabannya Scholarship for students securing less than 60%, Minority Scholarship, SC / ST Scholarship)

FURTHER IMPROVEMENT AND FUTURE STEPS :

- **A Rest Room** solely for the female staff may be arranged.
- **A Day Care** facility may be arranged for working mothers.
- **Separate Hostels** for both female and male students may be arranged.
- **The Girls Common Room** may be better furnished.

CONCLUSION : The overall picture of gender audit in our college is quite encouraging.

Apparently there seems to be no conscious act of discrimination against any gender or class.

Stray cases, if any, may well be taken care of by the various guardian committees like the ICC, Anti-Ragging, Gender Sensitization and Grievance Cell.
